

Pennsylvania Certification by Reinstatement

Thank you for your interest in obtaining current registration of your Pennsylvania EMS certification. This is the process whereby a person with expired Pennsylvania EMS certification can apply to obtain current Pennsylvania EMS certification. To process your request for certification by reinstatement, please complete the following items below:

1. Complete the continuing education requirements from your missed certification cycles:
 - a. EMR 16 hours with at least 12 in clinical patient care/core for EACH certification cycle missed since the expiration date
 - b. EMT 24 hours with at least 18 in clinical patient care/core for EACH certification cycle missed since the expiration date
 - c. AEMT 36 hours with at least 27 in clinical patient care/core for EACH certification cycle missed since the expiration date
 - d. Paramedic 36 hours with at least 27 in clinical patient care/core for EACH certification cycle missed since the expiration date
 - e. PHRN 36 hours with at least 27 in clinical patient care/core for EACH certification cycle missed since the expiration date
2. Complete the electronic provider certification application online through the PA EMS Registry. Please see the Application Instructions below.
3. Hold current Pennsylvania Approved CPR for the Healthcare Provider
4. ***If you are expired greater than one year BUT less than two years:***
 - a. After completing all missed continuing education and having an active CPR card, you will be eligible to complete the testing requirement:
 - i. You will need to complete the NREMT assessment exam at a Pearson Vue Testing Center.
5. ***If you are expired greater than two years:***
 - a. After completing all missed continuing education and having an active CPR card, you will be eligible to complete the testing requirements:
 - i. You will need to complete the psychomotor exam for the respective level of certification.
 - ii. You will also need to complete the NREMT assessment exam.
 1. The EHSF will schedule a psychomotor exam upon review of your application. AFTER successfully completing the psychomotor exam, you will need to complete the NREMT assessment exam at a Pearson Vue Testing Center.

To submit your application for certification by reinstatement through the PA EMS Registry:

1. Go to the PA EMS Registry: <https://ems.health.state.pa.us/Registry>
2. Log In
3. Complete/Update the Information in Each Section of your Provider Record:
 - a. Go to the "Applicant Data" tab
 - i. Go to the "General Information" tab
 1. Applicant Data Section
 - a. Verify demographic information is correct
 - b. Criminal History/Disciplinary Actions Section
 - i. Answer questions as appropriate
 1. If answering yes to either question, additional tabs will appear to complete supporting documentation
 2. The Bureau of EMS will contact the prospective provider to supply certified court documents for certification eligibility
 - c. Manage My Certifications Section
 - i. Select "Reinstatement" from the dropdown menu
 1. You will be directed to the Registration Reinstatement Tab, click "Request Reinstatement" button
 - a. The regional office will review the application within 14 business days and contact the expired provider.

To Create an Account and Initial Entry Application with NREMT for Testing:

1. Go to www.nremt.org
2. Create an account and initial entry application, choose respective level of certification (i.e. EMT, paramedic) assessment as exam type, choose Pennsylvania as the state, select relicensure as the reason.
3. Prior to scheduling the exam:
 - a. Must have an application in NREMT
 - b. Must have a successful psychomotor exam
 - c. Regional Council must do course completion verification in NREMT
 - d. Must submit payment for the exam

Once all information is verified and processed, the EHSF will contact you. If you should have any questions, please contact the office at 717-774-7911 and select option 2 or e-mail coned@ehsf.org.

Sincerely,

EHS Federation Staff
