

BUREAU OF EMERGENCY MEDICAL SERVICES

EMS Information Bulletin 2012-013 A

DATE: February 16, 2012
SUBJECT: State Recognized CPR Programs
TO: Pennsylvania EMS Organizations & Personnel
FROM: Bureau of Emergency Medical Services
PA Department of Health
(717) 787-8740

The attached document consists of Basic Life Support (BLS) Cardiopulmonary Resuscitation (CPR) Programs that have been reviewed and approved by the Pennsylvania Department of Health for use by EMS candidates and prehospital EMS practitioners for: Admission to EMS training programs and examinations, initial certification, certification by endorsement, recertification, renewal, recognition, and medical command authorization/reauthorization, within the Commonwealth of Pennsylvania.

Approved programs can be in the form of in-person instruction or any form of "distributed education" such as video, DVD, CD-ROM, magazine, on-line, etc, but must include the following:

1. One (1) and Two (2) Person Infant, Child, and Adult CPR (Inclusive of AED), and maneuvers for the relief of choking/foreign body airway obstruction for all aforementioned patient categories.
2. Final Written Examination.
3. Practical hands-on skills evaluation/examination administered by a current, appropriate level certified CPR Instructor representing the approved program.

All approved programs must provide a course completion card and/or certificate indicating the specific course title, to each individual successfully completing the program. Valid Instructor cards representing any of the specifically approved EMS course titles are acceptable for submission by Instructors.

The courses of instruction, approved by the Pennsylvania Department of Health in consultation with the Pennsylvania Emergency Health Services Council (PEHSC), for Layperson and Good Samaritan Coverage have also been included for reference; however, they are not approved for EMS personnel.

Vendors seeking recognition for specific courses must request a review on letterhead and submit a copy of the materials utilized within their program to the Pennsylvania Department of Health, Bureau of Emergency Medical Services, for recognition as an approved CPR program for prehospital practitioners or Lay Person-Good Samaritan coverage. **This request should be submitted any time the CPR Guidelines change and/or you have a change in product format or release new materials.** Please forward any questions to madellinge@pa.gov.
