Pursuant to [EMSIB 2020-03 2020 PA DOH AEMT Protocol Update](#) all Advanced Emergency Medical Technicians were required to attend an in person transition course prior to September 1, 2020. Because of the potential for delays in being able to implement that training due to COVID-19, the Bureau of EMS (Bureau) is extending the training and agency implementation deadline to November 1, 2020.

Once this training has been completed the EMS Agency Medical Director may authorize the use of these protocols prior to November 1, 2020.

Please address any questions to your Regional EMS Council.
